Fan Product Part Number/Label Change Notification

Date of Publication: 062422

Product Change Notification Number: 062422

Title: **Legacy to New Series PN conversion**

Reason for Change: To standardize the definition and numbering system on AC Axial, DC Axial and Blower Fan Motors

Change Description: NMB announced a while back the Introduction of Fan Motor New Numbering System for all new models and now transitioning older legacy to new models for certain product series. This includes all parts, packages, ordering codes and derivatives applicable to the following Root Part Numbers in the below list for AC fan motors, DC Fan motors and DC blower fan motors. **This is only part numbering/product label change. There is NO change in form, fit or function of the fans and blowers. Products are produced by the same manufacturing and process technology, package, test equipment and test programs.**

Last Time Buy Date for legacy fan series: Dec 20ᵗʰ, 2022
Last Scheduled Ship Date: Subject to standard order Lead Time
