

Fan Product Change Notification

Change Notification #: PCN080323

Date of Publication: August 3rd 2023

Dear NMBTC Customer:

We would like to inform you of the following change to NMBTC's Fan product line: **Product Change Notification for a NMBTC Fan series.** Consider this letter a 30-day notice of this transition and discontinuation.

This change affects ONLY the **09238RA series.** What has changed is that the position of the spokes were changed to standardize the casing shape and improve its rigidity.

Note:

- These changes do not affect form, fit or function.
- The cost of the new series does not change from the old series.
- These new and improved series are available to purchase/recommended for new designs

Series Information

The attached table illustrates the Legacy series (-00) and the new & improved series (-D0). The data sheets for the -D0 series are available for reference and can be found at www.nmbtc.com or from NMB Product/ Sales Management.

Product Information

The attached illustrations highlight the changes made to the positioning of the spokes in the frame for additional reference.

09238RA (0 Type)

09238RA (D Type)

Number of spokes was increased from six (0 Type) to nine (D type) to standardize the casing shape and improve rigidity.

Overall Summary

- Increase in spokes improves rigidity of the frame making it more durable and resistant to shock and vibrate
- Does not compromise form, fit and function
- Cost does not change from 0 Type to D Type

We appreciate your support and cooperation. If you have any questions or concerns, please contact Alvaro Espinoza (aespinoza@nmbtc.com) or Jay Zhuang (jzhuang@nmbtc.com).

Sincerely,

NMBTC Fan Product Team
